CD are to teach 10 shapes, 10 colors, counting by ones to 50, counting by multiples to 100, visual perceptual discrimination of shapes, colors, numbers, and the concepts of small, medium, and large. For efficient learning, rapid associations must be made between the visual representation of the object and the auditory presentation.

Colors, Numbers, and Shapes - Learning Fundamentals

The Shape Sorting Clock and Shapes, Colors and Numbers Matching Game are such a great way to reinforce the numbers on the clock AND teach preschoolers about colors and shapes. To create the cards you see in the morning board picture, I printed the pdf file, cut the boxes, laminated the boxes and then cut them again.
